

Quality Assurance

We at Galil Chemicals are committed to:

Operate according to the systems required by ISO 9001: 2008.

Develop, manufacture and supply high quality cleaning detergents as per customer specifications and requirements to achieve total customer satisfaction.

Galil Chemicals' General Manager is committed to enhance the skills of management and staff through review and by actively pursuing an on-going training policy, the objective of which is to prepare staff to perform their work more effectively.

Promote the quality management systems and ensure that implementation is achieved by internal auditing, management review, corrective and preventive action.

Promote the culture of continual quality improvement.
Rigorously monitor production process, packaging process, finished products and Raw Materials inspection.

Everyone in Galil Chemicals is responsible for the quality within the company and for maintaining its high standards.
